

To whom it may concern

15th June 2017

Our ref: 16-02.581

**New Logistics & Container Storage Facility
Phoenix Business Park, Linwood**

I would be delighted to work with Bell Building Projects again following completion of the above successful project and would not hesitate to include them on our tender lists going forward.

The project went very smoothly and the process was painless from inception during the tendering process through to a successful completion. Bell Building Projects contributed significantly to the value engineering aspect we went through at the beginning to get the project underway and were proactive, professional and worked in a collaborative manner throughout the project.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'R. I. Robinson', with a horizontal line underneath.
