

# ANGLO-EASTERN

Office Fit-out, Elliot Street, Glasgow

## PROJECT DETAIL:

Quality commercial office fit-out at 1<sup>st</sup> floor level in existing city centre building. Project comprised initial downtakings, new sound block ceilings, quality glazed partitions and doors, new flooring and refurbishment of tea prep and toilet facilities. Works were completed in a live environment whilst maintaining the highest level of health and safety levels at all time.

New lighting, data / telecoms installation as well as new HVAC formed part of the work as well as alterations to raised access floor.

A further 2 floors have subsequently been fitted out for associated companies.

VALUE: £500,000

DURATION: 10 weeks

PM / QS: Cushman Wakefield
